Arts Council**

P.O. Box 2235, Farmington, NM 87499

The Northwest New Mexico Arts Council was formed to sponsor and encourage cultural and educational activities in Northwest New Mexico. The Council sponsors cooperative planning, research, fund raising, and public education programs to encourage participation and appreciation of arts by all citizens in the area. Overall organizational development and growth is a current target of the organization, rather than the current trend of proceeding on a project-by-project basis.

Becoming a new member with the Northwest New Mexico Arts Council is the best way to get connected to the local arts community. And, it helps us to remain a strong and effective advocate for all of the art initiatives in San Juan County. The Northwest New Mexico Arts Council supports the local artists by including them in the database that is accessible to teachers, educators and other artists. If you are a local artist check let us add you to our database.

We hope you'll agree that there are a lot of good reasons to join the Northwest New Mexico Arts Council! If you have any questions please feel free to contact us through the website at www.nwnmac.org. We look forward to welcoming you as a new member! Thank you!
